Chair – Plan International – Australia
Chair – Royal District Nursing Service
Director – Aboriginal Foundation SA

Other Declared Interests:

Australian Central Credit Union Limited
Audit Committees - Member Merger and Acquisition Committee
Chair - Marketing Sub-Committee and Corporate Governance Committee
Board Committee Chair Corporate Governance and previously on Risk Management

Independent Auditor's Report to the Board of Trustees of Credit Union Foundation Australia Trust Fund

We have audited the accompanying financial report of Credit Union Foundation Australia Trust Fund ("the Fund"), which comprises the balance sheet as at 30 June 2010, and the statement of comprehensive income, the cash flow statement and the statement of changes in equity for the year ended on that date, notes comprising a summary of significant accounting policies, other explanatory information, and the Trustee's declaration as set out on pages 7 to 20. In addition, we have audited the Fund's compliance with specific requirements of the Western Australia Charitable Collections Act 1946 ("the Act") and the Western Australia Charitable Collections Regulations 1974 ("the Regulations") as listed in Appendix A for the year ended 30 June 2010.

Board of Trustees Responsibility for the Financial Report and Compliance with the Act and the Regulations

The Board of Trustees of the Fund is responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and for compliance with the Act and the Regulations. This responsibility includes establishing and maintaining internal control relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances. In Note 2, the Board of Trustees also states, in accordance with Accounting Standard AASB 101 Presentation of Financial Statements, that compliance with the Australian equivalents to International Financial Reporting Standards ensures that the financial report, comprising the financial statements and notes, complies with International Financial Reporting Standards.

Auditor's Responsibility

Our responsibility is to express an opinion on the Fund's compliance with specific requirements of the Act and the Regulations, and the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the Fund has complied with specific requirements of the Act and the Regulations, and the financial report is free from material misstatement.

Deloitte

An audit involves performing procedures to obtain audit evidence about the Fund's compliance with specific requirements of the Act and the Regulations and amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of non-compliance with specific requirements of the Act and the Regulations and material misstatement of financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's compliance with the Act and the Regulations, and preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Board of Trustees, as well as evaluating the overall presentation of the financial report.

Inherent Limitations

Because of the inherent limitations of any compliance procedures, it is possible that fraud, error, or non-compliance with the Act and the Regulations may occur and not be detected. An audit is not designed to detect all weaknesses in the Fund's compliance with the Act and Regulations as an audit is not performed continuously throughout the period and the tests are performed on a sample basis.

Any projection of the evaluation of compliance with the Act and Regulations to further periods is subject to the risk that procedures, may become inadequate because of changes in conditions, or that the degree of compliance with them may deteriorate.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Auditor's Independence Declaration

In conducting our audit, we have complied with the independence requirements of the Australian professional accounting bodies.

Auditor's Opinion

In our opinion:

- (a) the financial report presents fairly, in all material respects, the financial position of the Credit Union Foundation Australia Trust Fund as at 30 June 2010, and of its financial performance, its cash flows and its changes in equity for the year ended on that date in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations);
- (b) the financial report also complies with International Financial Reporting Standards as disclosed in note 2;
- (c) the financial report agrees to the underlying financial records of the Fund, that have been maintained, in all material respects, in accordance with the Act and the Regulations for the year ended 30 June 2010; and

(d) monies received by the Fund, as a result of fundraising appeals conducted during the year ended 30 June 2010, have been accounted for and applied, in all material respects, in accordance with the Act and Regulations as listed in Appendix A.

APPENDIX A: WESTERN AUSTRALIA CHARITABLE COLLECTIONS REGULATION 1947

Significant Control Requirements

The financial management and fundraising activities of the licence holder should be conducted in accordance with, but not limited to, the following provisions of the Regulations:

Financial Management

- Monies received should be banked within seven (7) days of receipt in accordance with regulation 11(a);
- An asset register should be maintained in accordance with regulation 11(c);
- Every bank account should be operated by two (2) officers of the organisation in accordance with regulation 11(d);
- Investments should be in accordance with regulation 16 of *the Charitable Collections Amendment Regulations (1998)*.

Fundraising

- Monies received from collectors and fundraisers should be paid to the licence holder within fourteen (14) days of receipt in accordance with regulation 11(b) of the Regulations;
- Receipts should be completed for all monies received;
- The Income and Expenditure Statement should be sufficiently detailed to enable identification of all charitable collections received and the manner in which the collections have been dealt with;
- Fundraising expenses (i.e. salaries, wages, commissions and any professional fundraising fees) should be disclosed separately in the accounts;
- The licence holder should be collecting monies and goods, and should be disbursing those monies and goods, in accordance with the organisation's objectives.

Credit Union Foundation Australia Trust Fund

Trustee's Declaration

The financial report on pages 8 to 20 for the financial year ended 30 June 2010 has been prepared as required by the Trust Deed.

The auditors of the Fund, Deloitte Touche Tohmatsu, have been appointed by the Trustee in accordance with the Trust Deed and have conducted an audit of the financial report.

The Trustee declares that:

- a) in the Trustee's opinion, there are reasonable grounds to believe that the Fund will be able to pay its debts as and when they become due and payable;
- b) in the Trustee's opinion, the attached financial statements and notes thereto are in accordance with accounting standards and giving a true and fair view of the financial position and performance of the Fund; and
- c) the Fund has been conducted in accordance with the Trust Deed and has complied with all governing law.

Signed for and on behalf of the Trustee

Credit Union Foundation Australia Trust Fund

Notes to the Financial Statements For the financial year ended 30 June 2010

1. Adoption of new and revised Accounting Standards

In the current year, the Fund has adopted all of the new and revised Standards and Interpretations issued by the Australian Accounting Standards Board (the AASB) that are relevant to its operations and effective for the current annual reporting period.

- AASB 2007-8 '*Amendments to Australian Accounting Standards*'. Amendments arising from AASB 101 '*Presentation of Financial Statements*'. The amendments affect several standards arising from the application of AASB 101
- AASB 2009-7 '*Amendments to Australian Accounting Standards*'. Amendments made to AASB 5, 7, 139 and Interpretation 17 to correct errors that occurred in AASB 2008-12;

Adoption of these amended standards and interpretations did not have a significant impact on the balance sheet or the results of operations except as otherwise stated.

Standards and Interpretations issued but not yet effective

At the date of approval of the financial report, the following Standards and Interpretations were on issue but not yet effective:

Standard	Effective for annual reporting periods beginning on or after	Expected to be initially applied in the financial year ending
AASB 2009-5 ' <i>Further amendments to Australian Accounting Standards arising from the Annual Improvements Project</i> '. Further non-urgent amendments to several accounting standards arising from the annual improvements project.	1 January 2010	30 June 2011
AASB 9 ' <i>Financial Instruments</i> '. Includes requirements for the classification and measurement of financial assets resulting from the first part of Phase 1 of the IASB's project to replace IAS 39 <i>Financial Instruments: Recognition and Measurement</i> (AASB 139 <i>Financial Instruments: Recognition and Measurement</i>). These requirements improve and simplify the approach for classification and measurement of financial assets compared with the requirements of AASB 139.	1 January 2013	30 June 2014
AASB 124 ' <i>Related Party Disclosures</i> ' AASB 2009-12 ' <i>Amendments to Australian accounting Disclosures</i> '. These requirements clarify the definition of a related party and include an implicit requirement to disclose commitments involving related parties.	1 January 2011	30 June 2011

These Standards and Interpretations will be first applied in the financial report of the Fund that relates to the annual reporting period beginning after the effective date of each pronouncement. The Trustee anticipates that the adoption of these standards will have no material financial impact on the future periods for the Fund.

Credit Union Foundation Australia Trust Fund

Notes to the Financial Statements For the financial year ended 30 June 2010

2. Significant accounting policies

Statement of Compliance

The financial report has been prepared at the request of the Trustee and has been prepared as a General Purpose Financial Report in accordance with Australian Accounting Standards and Interpretations, and the financial reporting requirements of the Australia Council for International Development Code of Conduct. Compliance with A-IFRS ensures that the financial statements and notes of the Foundation comply with International Financial Reporting Standards ('IFRS').

The financial statements were approved by the Trustee on 20 September 2010.

Basis of Preparation

The financial report has been prepared on the basis of historical cost. Cost is based on the fair values of the consideration given in exchange for assets. Unless otherwise indicated, all amounts are presented in Australian dollars.

Critical Accounting judgements and key sources of estimation uncertainty

Management is required to make judgments, estimates and assumptions about carrying values of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstance, the results of which form the basis of making the judgments. Actual results may differ from these estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

Accounting policies are selected and applied in a manner which ensures that the resulting financial information satisfies the concepts of relevance and reliability, thereby ensuring that the substance of the underlying transactions or other events is reported.

The following significant accounting policies have been adopted in the preparation and presentation of the financial report:

a. Cash and Cash Equivalents

Cash comprises cash on hand and demand deposits. Cash equivalents are short-term, highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

b. Receivables

Loans and receivables are measured at amortised cost (less impairment) using the effective interest method.

Credit Union Foundation Australia Trust Fund

Notes to the Financial Statements For the financial year ended 30 June 2010

2. Significant accounting policies (continued)

c. Impairment of Financial Assets

(i) Financial Assets

Financial assets, other than those at fair value through profit or loss, are assessed for indicators of impairment at each balance sheet date. Financial assets are impaired where there is objective evidence that, as a result of one or more events that occurred after the initial recognition of the financial asset, the estimated future cash flows of the investment have been impacted. For financial assets carried at amortised cost, the amount of the impairment is the difference between the asset's carrying amount and the present value of estimated future cash flows, discounted at the original effective interest rate.

The carrying amount of the financial asset is reduced by the impairment loss directly for all financial assets.

If, in a subsequent period, the amount of the impairment loss decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, the previously recognised impairment loss is reversed through profit or loss to the extent the carrying amount of the financial asset at the date the impairment is reversed does not exceed what the amortised cost would have been had the impairment not been recognised.

(ii) Other Assets

At each reporting date, the Fund reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss.

If the recoverable amount of an asset is estimated to be less than its carrying amount, the carrying amount of the asset is reduced to its recoverable amount. An impairment loss is recognised in profit or loss immediately, unless the relevant asset is carried at fair value, in which case the impairment loss is treated as a revaluation decrease.

d. Contributions

All project contributions are recognised as revenue of the Fund in accordance with AASB 1004 *Contributions*, at fair value received or receivable.

e. Expenditure on projects

All expenditure on projects is recognised as part of operating expenditure of the Fund.

f. Retained earnings

All unexpended funds are recognised as retained earnings in the equity section of the balance sheet.

Credit Union Foundation Australia Trust Fund

Notes to the Financial Statements For the financial year ended 30 June 2010

2. Significant accounting policies (continued)

g. Steve Birt Endowment

Interest income earned by the fund and disbursements from the interest earned are recognised as revenue and expenditure.

h. Other project services

Other project services represent services provided to the Fund at no cost, which were essential to the provision of project services or for the administration of the Fund. They are recognised as revenue and expenditure at their fair value.

Fair value is determined as the cost which would have been expended to acquire the service. With respect to volunteers' services, the services contributed are valued at a standard daily rate as determined by the AusAID scale.

i. Goods and Services Tax

Revenues, expenses, and assets are recognised net of the amount of goods and services tax (GST) except:

- i. Where the amount of GST is not recoverable from the taxation authority it is recognised as part of the cost of acquisition of an asset or as part of an item of expense; or
- ii. For receivables and payables which are recognised inclusive of GST.

The net amount of GST recoverable from, or payable to, the taxation authority is included as part of receivables and payables. Cash flows are included in the cash flow statement on a gross basis. The GST component of cash flows arising from investing and financing activities which is recoverable from, or payable to, the taxation authority is classified as an operating cash flow.

j. Revenue

Revenue is measured at the fair value of the consideration received or receivable. Revenue is reduced for rebates and other similar allowances.

Interest revenue is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the asset's net carrying amount.

For the financial year ended 30 June 2010**

9. Financial instruments disclosures

	2010	2009
	\$	\$
Carrying value:		
Cash at a Bank (at call)	6,400	1,082
Deposits at call	194,674	178,730
Fixed term deposit	350,000	350,000
	<hr/>	<hr/>
Total carrying value	551,074	529,812

Fair Value

The Trustee considers that the carrying value of the Fund's financial instruments carried at amortised cost approximates their fair value because the application of fair value methodologies would result in only minimal changes to their carrying value, due to the short term nature of the instruments.

Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: foreign exchange (currency risk), market interest rates (interest rate risk) and market prices (price risk). The cash balance is exposed to movements in interest rates.

A sensitivity to a 0.5% increase or decrease in interest rates on average cash balances has been used as this represents management's assessment of the possible change in interest rates. A positive number indicates an increase in profit or loss while a negative number indicates an equal and opposite impact on the profit or loss.

Sensitivity Impact	Decrease 0.5%		Increase 0.5%	
	2010	2009	2010	2009
	\$	\$	\$	\$
Profit or loss	(2,742)	(2,600)	2,742	2,600

Credit risk

Cuscal Limited is an approved deposit taking institution regulated by APRA and is rated AA- (long term) and A1+ (short term) by Standard and Poor's. Accordingly, the Trustee believes that the accounts held with Cuscal Limited are subject to minimal credit risk.

Interest rate risk

The Fund is exposed to interest rate risk, should short term rates vary. As the Fund is cash positive, this exposure may cause interest revenue to vary.

Credit Union Foundation Australia Trust Fund

**Notes to the Financial Statements
For the financial year ended 30 June 2010**

9. Financial instruments disclosures (continued)

Contractual undiscounted cash flows of financial liabilities

2010

	At Call	3 months or less	3 to 12 months	1 to 5 years	Over 5 years	No Maturity Specified	Total
	\$	\$	\$	\$	\$	\$	\$

Financial Liabilities

Other payables	-	-	-	-	-	11,460	11,460
Total	-	-	-	-	-	11,460	11,460

Liquidity risk management

The Fund manages liquidity risk by ensuring that its cash outgoings do not exceed its cash receipts and by maintaining a substantial cash balance, which includes effectively holding all its equity in cash. Generally, all liabilities are paid within 30 days following the end of the month in which such liabilities are incurred.

Credit Union Foundation Australia Trust Fund

Notes to the Financial Statements For the financial year ended 30 June 2010

10. Related party disclosures

(a) Directors

The following persons were directors of the Trustee during the financial year:

J.W Baistow
P.G Dowling
K.E Mutton
J.R Paine
L.M Petschler
K.A Skipper

The compensation of the specified directors was nil (2009: nil).

(b) Service arrangement

The Fund has entered into an arrangement with Abacus – Australian Mutuals Limited (Abacus) whereby staff and back office support services (such as finance and administration, information technology, human resources and building occupancy) are sourced by Abacus under its agreements with Cuscal Limited and provided to the Fund without charge.

On 30 June 2010 the Trustee, Credit Union Foundation Australia Pty Limited ceased to be a subsidiary of Cuscal Limited and became a subsidiary of Abacus. Accordingly, Cuscal Limited ceased to be a related party to the Fund.

11. Subsequent events

There has not been any matter or circumstance occurring subsequent to the end of the financial year that has significantly affected the operations, the results of those operations, or the state of affairs of the Fund in future financial years.

12. Additional information

Credit Union Foundation Australia Trust Fund is a trust formed in Australia.

The registered office and principal place of business are both:

1 Margaret Street
SYDNEY NSW 2000
